

Your future at CONTA-CLIP

About the company

Users of connection technology have been trusting components from CONTA-CLIP for 40 years. They take advantage of our expertise, experience and personal commitment in order to create customized solutions, which are the formulas for success for our customers. We offer specific solutions for a variety of industries dispersed through more than forty countries. That includes, among other areas, railway and track technology, building automation, machine and facility construction. CONTA-CLIP is an original equipment manufacturer and we provide ideal support to our customers. Our parent company is located in Germany.

For our Team in the USA, located in Somerset, NJ, we are seeking for a

Junior Product Manager (M|F) Cable Management System

About the opportunity

After intensive training at our New Jersey facility and at our partners in Germany, you will be responsible for our Cable Management Systems (Cable Entry System, Cord Grips - liquid tight strain reliefs, Cable Trays, Shielding Clips). You will report to President of CONTA-CLIP Inc. directly on ongoing basis.

Major Responsibilities will be:

- Provide technical support to our customers and prospects for the above products
- training of our representatives and distributors in accordance with our sales manager
- respond to inquiries from our customers by phone and e-mail
- crossing of competitor products
- travel to customers as requested
- prepare and travel to trade shows
- analyse the markets for the products

Requirements

We are looking for an individual with technical knowledge who has a basic understanding of mechanical and electrical applications.

What we offer

- Competitive salary
- Benefits
- Comprehensive training at our Somerset, NJ location and at our headquarters in Germany

Your Application

If you are interested in working for an owner-operated and financially independent company, send us your resume via e-mail to joerg@contaclipinc.com
